

University	<p><a href="#">University of Antwerp</a> Erasmus code: <b>B ANTWERP01</b></p>
Places per year	<p>We mainly accept exchange students from partner universities within a bilateral agreement with the Faculty of Medicine and Health Sciences.</p> <p><u>Courses of Medicine or courses in Rehabilitation Sciences and Physiotherapy</u> Some courses of our Bachelor and Master programme are taught in English to accommodate international students ('green courses'). Besides these 'English courses' we also offer courses with facilities for exchange students ('yellow courses'). These courses are taught in Dutch but the lecturers provide facilities (e.g. study material, handbook, exam, ...) in English. Exchange students are not accepted in the Dutch courses except if the student can proof Dutch language knowledge of level C1.</p> <p><u>Clinical traineeships</u> Exchange students can be accepted for a clinical traineeships in blocks of 4 or 8 weeks, according to the fix rotation system of the hospital and depending on the availability in the clinical ward.</p>
Academic calendar	<p>As the academic calendar is divided into 2 semesters an exchange student can come to the UAntwerp either in the Autumn or the Spring semester. During the Summer holidays (July and August) the medical staff in the hospital is understaffed, which makes it difficult to have a clinical traineeship.</p> <p><a href="https://www.uantwerpen.be/en/about-uantwerp/organisation/academic-calendar/">https://www.uantwerpen.be/en/about-uantwerp/organisation/academic-calendar/</a></p>
Restrictions	<p>Exchange students must be in their 4th or higher study year of Medicine studies; for studies in Rehabilitation Sciences and Physiotherapy an exchange student must be in the 3<sup>rd</sup> study year. There is a limited availability of training placements. A traineeship is always to ask at the contact person of the Faculty of Medicine and Health Sciences.</p>
Language requirements	<p>English B2 / Dutch C1 <a href="https://www.uantwerpen.be/en/study/international-mobility/erasmus-and-exchange-students/admission/language-requirements/">https://www.uantwerpen.be/en/study/international-mobility/erasmus-and-exchange-students/admission/language-requirements/</a></p>
Study plan	<p>Exchange students can pick courses from several years (3<sup>rd</sup> Bachelor, 1<sup>st</sup> Master, 2<sup>nd</sup> Master). However, it is not allowed to choose 'overlapping courses'. It is advised to send a draft of the proposed study programme before sending the final Learning Agreement. Find more information at the <a href="#">Medicine curriculum for exchange students</a> and the <a href="#">REVAKI curriculum</a> to see when the courses are scheduled exactly.</p>
Course catalogue	<p>Consult <a href="#">Medicine curriculum for exchange students</a>, the <a href="#">REVAKI curriculum</a> and also the <a href="#">FAQs</a>.</p> <p>The general courses and course descriptions can be found on the <a href="#">website of the Bachelor of Medicine</a> and on the <a href="#">website of the Master of Medicine</a>. REVAKI: Master programmes in English: <a href="#">Master of Rehabilitation Sciences and Physiotherapy: Internal Conditions</a> <a href="#">Master of Rehabilitation Sciences and Physiotherapy: Neurological Conditions</a></p>
